

Resilient Danvers Newsletter Content

Please include this content in newsletters that reach Danvers' community members – any and all audiences! Reach out to meddy@kimlundgrenassociates.com if you are interested in receiving content with a personalized message for your audience.

TAKE OUR SURVEY!

Use your voice to inform the Town's **Climate Action Plan**

Danvers Climate Action, Sustainability, Preservation, and Resilience (CASPR) Plan will have an impact on our neighborhoods, businesses, parks, and schools for decades to come, and we want to make sure everyone's voices are heard.

The Resilient Danvers Community Survey asks about **how we can make climate action happen in Danvers, and what resources you need to take action**. Share your thoughts on the survey and enter your email for the chance to win one of our raffle prizes!
